	Oct. 7, 1815 - Oct. 28, 1889	on Aug. 18, 1841 <i>(Wife's Obituary in South Kansas newspaper - Oct. 30, 1889)</i> Marriage announcement: "Rev. Colin MURCHISON of S.C. Conference and Miss R.E. PEARSON of Abingdon, VA" <i>(Mecklenburg Jeffersonian, Charlotte, NC - Aug. 18, 1841)</i> "Rev. Colin Murchison, father of Mrs. Clate M. Ralstin, died at his home in this city, on Monday, aged 74 years. His life work has been in the Christian ministry, and over forty years he was one of the strong men of the M.E. church, south. At 15 he was doing Christian work, at 22 in the active ministry in the South Carolina Conference, and when the church split he went with his State, as he did later in 1861. During his long and active ministry he filed appointments of highest grade, and presided over church schools with distinguished ability. In 1865 he went to New York, and later transferred to Illinois, where he held his membership as a superannuate until called to his reward. During his residence in this city he endeared himself to a large circle of friends and quite often filled the pulpits of the M.E. Presbyterian and Episcopal churches. He closed his ministerial career at Elk City on the 6th of this month, where he presided over a district meeting of his denomination, and officiated at the sacramental service. He took additional cold, and on the day following - his 74th birthday, - he came home, took to his bed and gradually failed. He leaves his aged wife, very feeble, and three daughters. The funeral occurred at 8 p.m., at the M. E. church, under the auspices of the I.O.O.F. Lodge, No. 69. Rev. C. R. Rice preaching an able sermon. The fraternity escorted the remains to the depot, and C. M. Ralstin and Miss Ada Murchison accompanied the remains to Kinmundy, Illinois, where they were interred, at his request by the side of a loved daughter. In 1865 her husband's health failed, and they then moved to New York where they lived for three years. In 1868 Dr. Murchison took charge of a district in the Illinois conference, of the M.E. Church South, and the family moved to Kinmundry. In 1883 they came to Independence, Kansas. October 28, 1889, her husband died. She lingered on time's shore till February 15, 1891. About 2 weeks ago he dressed a rabbit which had been given to him by a friend and he had just a scratch on his hand. But it was enough of a scratch to inoculate his blood. At the time he didn't think so much about it and went right on with his work with the W.P.A. road work. But he had fever all the time. A few days later, he was unable to work and after consulting a physician, took to his bed. The doctor reported that he had the disease well under control until last Friday when pneumonia set in. On Saturday he was removed to the Mark Greer Hospital in Vandalia and he died Sunday afternoon after being there just 27 years hours.

RICE, Martin

Martin RICE Died of Exposure: Martin RICE, a well known citizen of Kinmundy, died sometime last Saturday night in the barn lot of the J.F. HOWELL farm occupied by P.H. COUGHLIN, a half mile north of town. He, in company with Wm. HOWE and Frank McGEE, started to ride home from St. Peter on the running gears of a wagon with Bert NEAVILLS. The first three were doing section work at that place and after their day's work was over were coming home on the 6:30 train, but it was late and they decided to ride home on the wagon. It seems that on the way home that Martin took several drinks of whiskey and when near the Gray cemetery, he fell off the wagon. The team was stopped and he got back on the wagon and when at the HOWELL farm he fell off the second time, but this time the wagon did not stop for him. It was a very dark night and was raining and it is supposed that he had started for the HOWELL barn for shelter, when he fell in the barn lot where he was found the next morning. During the night it turned very cold and snowed some and when found the next morning, he was found lying on his back with his head to the east and his body was frozen. After Mr. COUGHLIN found the body, he telephoned the news to town and a party of men drove out and brought the body to the Nelms Undertaking rooms where it remained until Monday afternoon. Saturday night after the other parties in the wagon arrived in town and reported the loss of RICE, and his condition, a party of searchers went out and looked for him, but were unable to find him. Coroner T.J. FOSTER of Central City came up on the I.C. passenger Sunday morning, and empaneled a jury composing of F.O. GRISSOM, T.M. SMITH, H.A. McCLURE, H.F. DENNIS, F.S. SONGER, and Mike ZUMSTEG and an inquest was held. After hearing the evidence, they returned the following verdict: "Martin RICE met his death by reason of exposure to cold while intoxicated with whiskey during the night of Nov. 11, 1911." Martin RICE was born in Italy April 22, 1859. He came to Chicago at the age of 18, and for 7 years was engaged at plaster paris work in that city. He afterwards engaged in coal mining and located in Kinmundy about 20 years ago, making his home at Chas. WETTER's. He was an industrious young man making his living by honest toil. He made no outward or loud profession of religion but was christened in the Roman Catholic Church in his infancy. His parents are both dead, but he has several sisters residing in his native land to mourn his untimely demise. The funeral services were held at the undertaking rooms Monday afternoon and brief talks were made by Chas. W. RUTHERFORD and James COCKRELL, after which the body was laid to rest in Evergreen Cemetery. (Obituary in "The Kinmundy Express" – Nov. 16, 1911)
